# Gulf Syngear PC 75W-85

Automotive Gear Oil

## Product Description:

**Gulf Syngear PC 75W-85** is a fully synthetic, fuel-economy passenger car axle fluid offering increased gearbox efficiency in passenger cars due to low viscosity level. **Gulf Syngear PC 75W-85** is based on proven additive technology with multiple application profiles into a shear-free base oil matrix. Special friction modifiers reduce power losses in gears and bearings due to friction thus increasing gearbox efficiency and ensures the performance of limited slip differentials.

**Gulf Syngear PC 75W-85** offers fuel economy, reduces wear, sludge formation, agglomeration and corrosion and has outstanding low temperature behaviour.

**Gulf Syngear PC 75W-85** is suited for Alfa Romeo, BMW, Fiat, Lancia and VW TL 521 45-X (G 052 145 A1) and VW TL 521 90 (G 052 190 A2/G 055 190 A2) and specially for gearboxes requiring MB 235.7 specification.

<u>Property:</u>	<u>Test Method:</u>	<u>Typical Values:</u>	<u>Specifications:</u>
SAE Viscosity Grade	SAE J300	75W-85	<b>Meets:</b> API GL-5 MB 235.7 ZF TE-ML 18
Density @ 15°C	ASTM D4052	870 kg/m <sup>3</sup>	
Viscosity @ 40°C	ASTM D7042	81.5 mm <sup>2</sup> /s	
Viscosity @ 100°C	ASTM D7042	12.1 mm <sup>2</sup> /s	
Brookfield Viscosity @ -40°C	ASTM D2983	55000 cP	
Viscosity Index	ASTM D2270	144	
Flash Point (COC)	ASTM D92	190°C	
Pour Point	ASTM D97	-51°C
